Re: Exit Strategy  
Shieldalloy Metallurgical Corporation (SMC)  
Newfield Borough, Gloucester County

Dear Mr. Smith:

So that the New Jersey Department of Environmental Protection (NJDEP) and the United States Environmental Protection Agency (USEPA) have copies of all of the relevant documents regarding the newly signed Administrative Consent Order for the Exit Strategy, please send copies of the AIG insurance policy and the contract between SMC and TRC Environmental Corporation to both Trevor Anderson and me.

This same request has been addressed to Mr. David Smith at SMC.

Sincerely,

Donna L. Gaffigan, Case Manager  
Bureau of Case Management

C: Trevor Anderson, USEPA  
David Smith, SMC
